

## Privacy policy

This statement reflects the policy of Expereo International bv (hereafter: Expereo) regarding the use of personal data of visitors of this web site.

### General

Expereo respects your privacy and treats the personal data you provided to Expereo with the utmost care. The personal data you provided to Expereo will be processed in an electronic database and will be kept in accordance with the Dutch privacy act (at this time the Dutch Data Registration Act 1988 and as of the beginning 2001 the Dutch Personal Data Protection Act 2000).

### Data

During and/or after visiting the Expereo site, Expereo collects and processes two different kinds of data: 1. Statistic anonymous data relating to your visit of the Expereo web site (these include data about the amount of visitors of the Expereo web site, data about the visited pages on the Expereo web site and data about the previously visited sites/domains of the visitors of the Expereo web site). 2. Personal data (these include personally identifiable information like a name, address, phone number and email address that you provided to Expereo in order to be contacted). If you choose to be contacted by Expereo in order to be informed about the services of Expereo, Expereo will combine your personal data with the collected statistic data.

### Purpose

Expereo collects and processes your personal data for the purpose of informing you, in a sufficient matter and at your own request, about the services of Expereo. Statistic anonymous data are being processed in order to gain information about the accessibility of the Expereo web site and can be used to optimize the accessibility of the Expereo web site. Expereo processes your personal data solely for internal purposes and does not give or sale any of your personal data to third parties.

### Security

Expereo has made sufficient technical and organizational provisions in order to secure your personal data. Your personal data can only be accessed by authorized employees of Expereo who need to have access to these data in order to be able to fulfil their given duties.

### Cookies

The Expereo web site uses so called cookies. Cookies can be regarded as pieces of data that the Expereo server sends to your browser. Your browser is able to write these data to the hard disk of your computer. The use of cookies enables Expereo to give returning visitors access to the Expereo web site in a faster and more efficient way. The use of cookies can be disabled in your browser settings.

In case links to non-Expereo web sites can be found on the Expereo web site, Expereo is not responsible for the content and the privacy practices of such web sites. Expereo values a clear and transparent privacy policy. Expereo therefore welcomes any improvement or supplement to its privacy policy. If you like to do so you can contact our [legal](#) department.
